High Performance Incentive Program (HPIP)

Who Qualifies: Companies that pay above-average wages for their industry or 1 ½ times the statewide average wage.

Incentive: 10% tax credit on investment

Kansas Industrial Training (KIT)

Who Qualifies: Manufacturing, Distribution and Regional or National Service Facilities hiring at least 1 new employee at an average wage of at least \$8/hour.

Incentive: The maximum amount allowable is \$2,000 per trainee, although contracts typically average much less than that. The recent average cost of successful training projects is less than \$1,000 per trainee.

Kansas Industrial Retraining (KIR)

Who Qualifies: Manufacturing, Distribution and Regional or National Service Facilities retraining at least 5 existing employees.

Incentive: The maximum amount allowable per trainee is \$2,000. Awards typically range from \$1,000 to \$100,000 per project.

This listing represents a sampling of the main incentives utilized by businesses. The EDC is knowledgeable on all of the incentives available through the State of Kansas and works closely with our communities on customized local incentives. We encourage you to set up an appointment to discuss what opportunities your business might qualify for.

Do you know how the EDC can help you?

Did you know the City of Sedgwick has a Neighborhood Revitalization Program through which commercial buildings and homes can qualify for a property tax rebate?

Did you know retail businesses in Sedgwick can qualify for a sales tax exemption for facility expansions and remodeling if two new jobs are created?

Did you know numerous loan programs exist to help with gap financing or for businesses who do not qualify for conventional financing?

Did you know retail businesses can qualify for tax credits with the creation of new jobs and new capital investment?

Did you know the EDC works with all kinds of businesses and our services are available free of charge to you?

Still Have Questions?

Call our office to set an appointment to talk about your proposed project or your existing business. The EDC's services are free and confidential to all Harvey County businesses. We have numerous resources to help you and your business, from potential funding sources, to marketing assistance and beyond. We look forward to working with you and making Harvey County a great place to live and do business!

We're here to help You!
